Re: Robert Altadonna, et al. v. Broome Mercer Corporation
Docket #: 07 Civ. 6668 (LAP)

Dear Judge Preska:

We represent the Plaintiffs in the above-referenced action. We write to request a brief extension of time to amend the pleadings. Currently, the deadline is January 15, 2008. However, we are still awaiting a right to sue letter from the EEOC, therefore we request a 60 day extension so that we can obtain this right to sue letter and amend the pleadings accordingly. Defense counsel has already agreed to such extension.

We thank the Court in advance for its consideration.

Respectfully submitted,

Carrie Kurzon
